A word from our Chairperson.....

Apple harvest time is a special time of beauty and bounty. It is honored by the yearly celebration of the Arkansas Apple Festival. We invite you to three days of family activities and music. On the square leading artisans of arts and crafts throughout the U.S. display their works. You will not go hungry during your visit, as there is an abundance of good food. Kids have plenty to do in Kids World...including and an apple core throwing contest. Entertainment abounds with square dancing and country music, gospel music, and the parade that kicks things off on Saturday morning. Our friendly Lincoln area citizens look forward to welcoming you and showing you a great time!

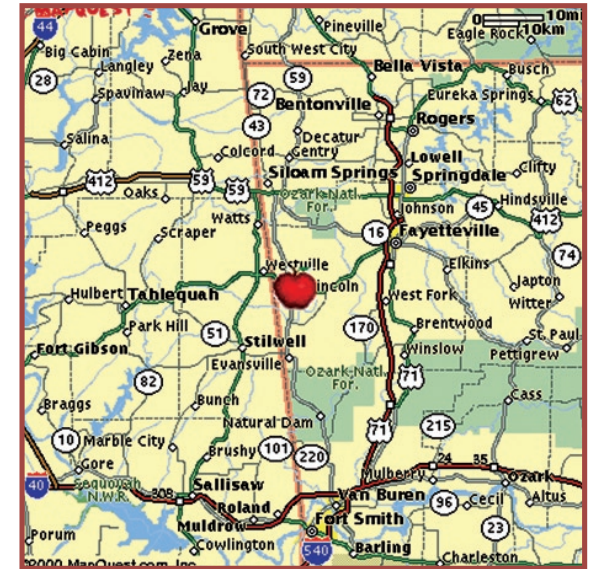

Neil Helm
Chairperson
